

# Pursue Your Dreams!

Stop saying “No” to your dreams just because the opportunity isn’t dressed up like you thought it would! Stop letting the defeat’s of your yesterday’s get the best of your today’s; The overall outcome of your life will always be the fruit of your own doing. You will have no one else to blame but yourself. When you blame others for the outcome of your life, you give up your power to change your situation for good! Everyday is a race and the only person that can stop you from reaching your “finish lines” in life is YOU. At the end of the day you will have to deal with the consequences of the choices you made. Did you choose to sit back and play the victim with your life; Did you choose to take a day off from your dreams; Did you choose to put God in the back seat of your life; Obstacles will always be in the way of something great; but staying committed to your purpose is the key to overcoming such; This is your life, You deserve whatever you choose to settle for; Don’t let fear erase your dreams!! Don’t settle for anything less than your dream, You can be anything you want to be all you have to do is trust God and believe in yourself. Don’t let fear cause you to say nothing, do nothing, or be nothing; Greatness lives within you, don’t give up on your dreams; Move beyond the limits and be all you were made to be. Change starts with you!
